Global Business Practices

AACSB-accredited Sejong Business School offers: **Bachelor's Degree in Business Administration (BBA)**

The Sejong Global Business Administration Program provides rigorous and practical education via lectures, seminars, and team-based student projects in order to equip the graduates with strong skills that the global marketplace is demanding. We will prepare our students to become the next generation business leaders in the global markets who will possess specialized insight into the Asian and Korean business systems.

The Sejong Global Business Administration Program:

- The program offers a competitive curriculum with a strong international focus that is designed to cover all the important facets of international business.
- The program focuses on the best innovative practices that are used by Asian and Korean firms.
- The program is taught entirely in English by distinguished faculty.
- The program is an AACSB¹⁾-accredited program.
- The program offers attractive scholarships (see the next page for details).
- The program provides students with internship opportunities with leading Korean companies.
- The program offers the opportunity to participate the International Accelerated Degree Program with Arizona State University (3+1+1) in order to pursue an additional 1 year of a bachelor's degree and 1 year of a Master's degree at ASU School of Business, which no GMAT score is required, after completing first three years in Sejong.

¹⁾ *The Association to Advance Collegiate Schools of Business was founded in 1916. AACSB is an internationally acknowledged benchmark for business school quality worldwide, and it is the most recognized form of specialized professional accreditation that an institution and its business programs can obtain.*
