Bachelor's Degree in Global Public Administration(GPA)

The Global Public Administration Program at Sejong University offers students experiential learning and an international perspective, preparing them for careers in the public sector, non-profit organizations, and the private industry. It equips students for managerial roles through a comprehensive curriculum that includes essential skill sets such as public policy analysis, statistical analysis, public finance, organizational leadership, human resource management, as well as Non-Governmental Organizations (NGOs) and international cooperation modules.

The Sejong GPA Program:

- The program offers an innovative curriculum with a strong international focus that is designed to cover all the important facets of public management and policy.
- The program focuses on the best proven practices for public policy and management that are developed in Korea.
- The program is taught entirely in English by distinguished faculty.
- The program offers generous scholarship programs.
