Bachelor's Degree in Global Public Administration(GPA)

The Global Public Administration Program at Sejong University prepares students for managerial positions in government institutions, not-for-profit organizations, and even with private companies. Students learn core skill, sets such as organization and leadership, human resource management, public and not-for-profit management, and the formation and implementation of public policy. Students are also introduced to highly respected Korean models in regards to economic development, e-government & information technology, and government modernization.

The Sejong GPA Program:

- The program offers an innovative curriculum with a strong international focus that is designed to cover all the important facets of public management and policy.
- The program focuses on the best proven practices for public policy and management that are developed in Korea.
- The program is taught entirely in English by distinguished faculty.
- The program offers generous scholarship programs.
