Sejong Master of Global Affairs Program

Master's Degree in Global Affairs (MGA)

The Graduate School of Public Policy at Sejong University will launch a Master of Global Affairs (MGA) program in Fall of 2022. The main objective of this program is to train and prepare graduate students to prepare for opportunities across the world including the private and public sector as well as in international organizations, such as the World Bank Group Korea Office (Korea), the Asia Development Bank (Philippines), the Asia Infrastructure Investment Bank (China), and regional branches of the UN agencies. This unique program offers rigorous academic and practical training through lectures, seminars, and thesis/dissertation research with highly qualified scholars and practitioners in various fields.

The Sejong MGA Program:

- Distinguished faculty with different expertise in public administration, public policy, economics, international relations, and law
- Curriculum designed to help students acquire practical skills and knowledge
- Train students for various international careers
- Various concentrations
